House of Representatives
Washington, D.C. 20515

Dear Mr. Cheney:

I want to thank you personally for your support of the legislation to expedite the naturalization of certain U.S. intelligence sources.

Your cosponsorship of Representative Stump's original bill, your participation in the hearings held by the Subcommittee on Legislation and the key role you played in connection with the Senate consideration of the matter were vital to the ultimate passage of this important legislation.

On behalf of our entire Directorate of Operations, I want to thank you for your efforts: they were most appreciated.

Sincerely,

/s/Clair E. George
